

Want Lists Made-to-Order

If you enjoy the hunt for pins on your Want List and become excited when you find one that's on the list BUT become upset when it's discovered later that it's another duplicate of what you have. When it's a \$1.00 or \$2.00 pin it's not too upsetting, BUT when it's a \$50.00 or \$100.00 pin the cursing begins.

To help everyone that has traded for or purchased a scarce pin only to find out you already had it--relief is here!!! All you need to be do is **send me your want list** and I will develop an actual size color pictorial listing that can be easily carried around. You will have all rights to the list which means you can make as many copies as you wish for backup.

So what's the cost for all the work in developing these specialized lists? The cost is \$5.00 per page but it *includes everything from pulling images/designing/assembling/inserting the images, typing the dates, inclusion of brief notes to help eliminate duplication, plus adding your name and address to each page to better facilitate recovery if lost.*
